

UNIVERSITY OF TURIN

The University of Turin is one of the most ancient and prestigious Italian Universities. Hosting almost **80.000 students** (2021-2022 academic years) and with **120 buildings** in different areas in Turin and in key places in Piedmont, the University of Turin can be considered as “city-within-a-city”, promoting culture and producing research, innovation, training and employment.

The University of Turin is today **one of the largest Italian Universities**, open to international research and training. It carries out scientific research and organizes courses in **all disciplines, except for Engineering and Architecture**. It is an integral part of the community, acting for reviving urban and suburban areas, promoting cultural interaction, social integration and development, encouraging dialogue and insight into current realities.
