

## Università Unicamillus

Also known as “**The Saint Camillus International University of Health and Medical Sciences**”, **UniCamillus University** was founded in Rome in 2017.

A private university with departments only in the fields of health and medical sciences, UniCamillus University offers high quality education despite having been established relatively recently. This university sets out to provide education and train to doctors and health professionals who can work internationally to meet the healthcare needs of underdeveloped countries.

### Why study at the Unicamillus University?

1. Located in Rome, UniCamillus will give you a unique opportunity to meet and mingle with people from all walks of lives.
2. The mission of the University is inspired by Camillo De Lellis: at the end of the 16th century, he contributed substantially to defining criteria and organization of an efficient healthcare system, by drawing up and implementing the first modern procedure of hospital care, establishing the basic principles of respect and dignity of the patient.
3. UniCamillus emphasizes on the humanitarian values acquired by students throughout their studies, especially the dignity of the patient, considered as a human being with his own sensitivity.
4. As a secular university, UniCamillus welcomes students of all faiths, confessions, denominations and religions.
5. With 1,210 open vacancies available for the 2025/26 academic year, UniCamillus University ranks first among all Italian non-state universities for the number of places offered in its Degree Programmes in Medicine and Surgery.
6. UniCamillus is the International Medical University of Rome with the highest percentage of international students.
7. UniCamillus welcomes students from all over the world and trains them to become physicians or health professionals versatile and focused also on diseases of underprivileged countries.
8. According to the XXVII AlmaLaurea Report, **89.5% of UniCamillus students graduate on time** (compared to the national average of 58.7%)
9. UniCamillus has an **84.3% employment rate within one year after graduation**, with an average salary exceeding the national mean.
10. It also boasts of remarkably high satisfaction rate with **over 95% of graduates expressing satisfaction** with their university experience, **while 94.5% appreciate their relationship with academic staff**.
